

Electronic Funds Transfer (EFT) Consent Form

EFT is a paperless form of checking.

It is ideal with the Budget Plan, which gives you predictable bills all year long.

How EFT works:

Your bill will come every month on or around the 5th. Look for the initials **EFT** in the bottom left corner of your bill. They indicate that payment will be automatically deducted from this checking account on the due date (normally the 25th of the month).

If EFT does not appear in the bottom left corner, that means that you should pay the bill normally. EFT takes about one billing cycle to take effect.
