allow 10 business days for your payment check to reach us.

Natural Gas prices staying low

Natural Gas: \$0.48 (48 cents) per therm (our September price)

COMPARE!	Propane	Electricity	Fuel Oil
Equivalent cost to 48 cent Natural Gas (based on heating value)	44 cents per gallon	1.6 cents per kWh	68 cents per gallon
Recent Actual Price in our area (what you actually pay)	\$1.12 per gallon	9.8 cents per kWh, less a \$3/month credit (co-op winter rate)	\$3.80 per gallon

It's a great time to be a natural gas customer!

It's a great time to switch to natural gas. Tell your neighbors without natural gas to call us at 715-425-6177 during business hours. We will install new natural gas service pipelines to homes until the ground freezes.

It's a great time to invest in energy savings. Call Focus on Energy at 800- or visit them on the web at www.focusonenergy.com. If your electricity is from a cooperative or municipal utility, contact them for their electricity-focused conservation program details.

It's a great time to change your furnace filter. Your furnace will thank you with better service. Your wallet will thank you for lower costs.

It's a great time to switch from an electric dryer to a natural gas dryer. Cost is about half to operate a natural gas dryer. The higher purchase and installation cost of a natural gas dryer is worth it!

Last month for road construction detours!

Our office is close to the University in River Falls. During the road construction on Cascade Avenue, the best way to drive to our office is by turning off Main Street at the Holiday station one block north of Cascade. We are one block east, at Spring and Second Streets.

Or try these easier ways to pay your bill:

1. FREE: call us to sign up for AutoPay.
2. FREE: drive up at the First National Bank in Prescott.
3. For \$3.99 per payment: call Payment Service Network (877-885-7968) or go to our website (www.stcroixgas.com) to authorize a payment from your credit card or bank account.
