Budget Billing—brilliant!

No more big winter gas bills to empty your checking account right when holiday bills arrive.

You pay a medium sized bill all year round, to eliminate the high bills of winter.

Our 12-month budget billing year runs August to July. We average your bills over that 12 month period. Signing up now gives you the lowest average bill possible because your total annual usage is spread over the maximum number of months (12). If you sign up later in the fall, we spread your total annual usage over the number of months remaining in the budget year.

We true up your budget to match your actual usage and costs twice a year. Your budget amount is reset when we do this. Call today to inquire about Budget Billing, 715-425-6177, weekdays, 8 am to 5 pm.

This year's Pipeline Awareness drawing winner is Kevin Hare of River Falls. Kevin won a \$100 fuel card. Congratulations, Kevin!
