Report to Ratepayers on 2015 activities

Focus on Energy is Wisconsin utilities' statewide energy efficiency and renewable resource program funded by the state's investor-owned energy utilities and participating municipal and electric cooperative utilities.

In 2015, Focus on Energy offered financial incentives and technical assistance to help eligible Wisconsin residents and businesses save energy.

According to an independent evaluation of 2015 programs, Focus on Energy delivered \$3.51 in benefits to Wisconsin residents and businesses for every \$1 dollar spent, by reducing customers' energy bills, utilities' operating costs, and the emission of environmental pollutants.

For more information on how Focus on Energy can help you save energy, go to www.focusonenergy.com.

PUT YOUR HOME TO THE RED DOOR TEST

A HOME ENERGY ASSESSMENT IS THE FIRST STEP TO GREATER COMFORT AND SAVINGS.

Behold the power of the Big Red Door. A comprehensive home energy assessment performed by a trained and certified Trade Ally contractor can pinpoint exactly where your home is wasting energy and what improvements you can make to boost comfort and lower your utility costs by 20 percent or more.

By addressing your home's air tightness, you can:

- Prevent moisture condensation
- Reduce drafts and increase comfort
- Improve air quality
- Lower energy consumption by 20% or more
