415 S Second St  
River Falls, WI 54022  
(715) 425-6177

## JANUARY 2017

**Due Date:**  
**January 25,**  
**Wednesday**

Your payment is on time if it is received on the due date by closing time at our payment locations. Mail in time to meet this date or drop your payment at:

**River Falls Location:**

Our office, 415 S. 2nd Street.  
Due date deadline: 5 p.m.

**Prescott Location:**

First National Bank,  
1151 N. Canton Street.  
Due date deadline:  
lobby - 5 p.m.,  
drive-up window - 6 p.m.

**Online bill payers:**

allow 10 business days for your payment check to reach us to avoid late fees.

ONLINE: Visit us at  
[www.stcroixgas.com](http://www.stcroixgas.com).

You can click through to pay by credit card or check with Payment Service Network. Or call PSN at 877-885-7968.

There is a \$3.99 transaction charge.

Or... AutoPay is free and automatic each month—details on our website. Pair it with Budget Plan to make your gas bill payment amount predictable.

## Avoid fees It's FREE!

Why pay extra to pay your gas bill? Avoid late fees—avoid transaction fees! Sign up for automatic check withdrawal for your monthly gas payments.

The withdrawal from your bank account occurs on our due date (usually the 25th of the month, or the next business day after weekends and holidays).

You still receive a billing statement, by email or mail, as you prefer. This lets you know how much to have ready in your bank account on the due date.

Visit our office or call us for details, 715-425-6177, weekdays, 8 am to 5 pm.

## Save money with these efficiency tips!

- \* Clean or change your furnace filters once a month during heating season.
- \* Install an automatic setback thermostat: This can be a good investment in homes heated and cooled with forced-air systems. Once programmed, it will automatically adjust the temperature settings for you.
- \* Set your thermostat between 65° F and 70° F during the winter and 58° F when away from the house for four or more hours.

## DESIGN NEW FACILITIES FOR ENERGY EFFICIENCY AND LOWER OPERATIONAL COSTS

### APPROACH ENERGY EFFICIENCY EARLY— DURING THE DESIGN PHASE

The Focus on Energy Design Assistance Program provides design professionals, builders, developers and building owners with a free energy analysis for the design of new or substantially-renovated buildings over 5,000 square feet.

**Features for Commercial Facilities Include:**

- Free, customized energy analysis with unique option packages of efficiency measures
- Incentives to exceed energy code standards
- Lower operational costs over the life of the building

\*Some programs require that a business/resident must be a customer of a participating natural gas AND electric utility. Find out if your electric utility participates at [focusenergy.com/utilities](http://focusenergy.com/utilities).
