charge.

Or... AutoPay is free and auto-
matic each month—give us a
call. Pair it with Budget Plan
to make your gas bill payment
amount predictable as well as
automatic.

One-Act Plays by RF Community Theatre

The River Falls Community Theatre will present One-Act Plays on Friday and Saturday evenings, February 17-18 and 24-25, at Junior's Bar and Grill in River Falls.

Seating for the shows will begin at 6pm, and your \$10 ticket will allow you to find a table in the reserved seating area where you will be able to order from the evening's special menu for dinner or appetizers, as you choose. Full bar will be available, and there will be pre-show music each evening before the 7:30 pm curtain.

This year's One Acts will feature encore performances of three all-time favorites from year's past, as well as two new shows. It should prove to be a hilarious evening, once again.

Budget Plan customers—your payment is about to change.

- * Your March bill will reflect an adjustment for the actual weather and gas prices since your Budget Plan began last summer.
- * This new payment amount will be repeated until your July bill. In your July bill we will true-up your payments to date with actual costs through the end of the budget year.
- * Budget Plans begin again with the August billing.

Questions? Call our office, 715-425-6177, weekdays 8 am to 5 pm.

DON'T LET THE COLD GET YOU DOWN

Let Focus on Energy Show You How To Make Your Home More Comfortable and Use Your Energy Smarter

Your home is the biggest investment you'll ever make and there's bound to be some improvements that need to be made. Focus on Energy has cash back incentives and rebates on home energy improvement projects like air sealing, insulation, and installing a new furnace. We can even help you find a Trade Ally Contractor to perform a whole home assessment so you know all the ways you can save money and energy before you make any decisions!

How can you use energy smarter?

- Hire a Trade Ally Contractor to perform a Home Energy Assessment
- Upgrade your inefficient heating and cooling equipment
- Insulating & Air Sealing
