focus on energy™

Partnering with Wisconsin utilities

Notice of 2017 program results

Focus on Energy is Wisconsin utilities' statewide energy efficiency and renewable resource program funded by the state's investor-owned energy utilities and participating municipal and electric cooperative utilities. In 2017, Focus on Energy offered financial incentives and technical assistance to help eligible Wisconsin residents and businesses reduce their energy waste. According to an independent evaluation of 2017 programs, Focus on Energy delivered \$5.93 in benefits to Wisconsin residents and businesses for every \$1 dollar spent, including economic benefits, reduced energy costs, and reduced pollution. For more information on how Focus on Energy can help you save energy, go to www.focusonenergy.com.

\$100 gasoline gift card winner!

This year's winner of the St. Croix Gas Pipeline Awareness drawing is Christie Tutor of Prescott. She won a \$100 gasoline gift card from Holiday.

Thank you to everyone who entered the drawing! 11,751 addresses (gas customers and non-customers located along our pipelines) were mailed brochures and cards. 1,032 cards were returned and entered in the drawing.

THERMOSTAT INCENTIVE

GET SMART WITH YOUR THERMOSTAT

Get a \$75 cash incentive for qualifying smart thermostats!

Save energy and money without sacrificing comfort. A smart thermostat "learns" your habits to help you manage home heating and cooling costs. It adjusts your HVAC equipment based on your home's unique energy profile and the weather outside.

Smart thermostats save up to \$120 annually and typically pay for themselves in two years. You can also save energy and money by controlling your home's system wherever you go. Lower your home temperature from work a couple degrees or warm the house before heading home.

Apply for your \$75 cash incentive and start living the energy-bill-lowering, easier-than-ever smart thermostat lifestyle.*

Get details and a list of qualifying models at:

**Must be a customer of a participating natural gas AND electric utility. Find out if your electric utility participates at focusonenergy.com/utilities.*
