### About FOCUS ON ENERGY

Focus on Energy is the Wisconsin utilities' statewide energy efficiency and renewable resource program funded by the state's investor-owned energy utilities and participating municipal and electric cooperative utilities. In 2018, Focus on Energy offered financial incentives and technical assistance to help eligible Wisconsin residents and businesses reduce their energy waste. According to an independent evaluation of 2018 programs, Focus on Energy delivered \$5.16 in benefits to Wisconsin residents and businesses for every \$1 spent, including economic benefits, reduced energy costs, and reduced pollution. For more information on how Focus on Energy can help you save energy, go to [www.focusonenergy.com](http://www.focusonenergy.com) or call 800-762-7077.
